Dear Recruiter or Hiring Manger:

I am seeking a full-time, entry-level Architectural Drafter/Designer position in the Residential/Commercial Design industry.

I will graduate in May with an Associate of Applied Science Degree in Architectural Technology from Anoka Technical College. Courses that I have taken include Architectural CAD I and II, Residential CAD Studio, Commercial CAD Studio, Revit Architectural 3D CAD, Intermediate Revit 3D CAD, and Advanced Revit 3D CAD. I fulfilled my general education requirements at Anoka-Ramsey Community College. Coursework there included Interpersonal Communication and Photoshop. I am proficient in Microsoft Word and am learning Microsoft Excel.

I am excited about beginning my AutoCAD drafter/designer career, to develop my AutoCAD and Revit skills and gain valuable experience working in the Residential and Commercial Design industry. With my eagerness to learn, diligence, and attention to detail, I am confident that I could make a positive contribution to your company.

Thank you for your consideration. I look forward to an opportunity to meet with you and further discuss my qualifications.

Sincerely,

Patrick Brey
